**Official Game Rules**  
**for the Lotto Game**  
**“North 5<sup>®</sup> EZ Match™ Promotion”**  
**Effective January 9, 2025**

**1.1 Name of the Promotion**

The name of the promotion that will be conducted in conjunction with the North 5<sup>®</sup> Game is EZ Match™.

**1.2 Definitions**

The definitions of the North 5<sup>®</sup> Game Procedures apply to these procedures for the North 5<sup>®</sup> EZ Match™.

**2.1 Qualification for the Promotion**

To qualify for the promotion (a "Qualifying Play"), a player must purchase a North 5<sup>®</sup> Play and pay an additional one dollar (\$1) per play for the EZ Match™ option.

**2.2. EZ Match™ Plays**

To play EZ Match™, a player purchases a North 5<sup>®</sup> play and chooses to add the EZ Match™ option for an additional one dollar (\$1) per play. When the EZ Match™ option has been selected, a player will receive five (5) instant computer-selected EZ Match™ numbers printed in a single column below the North 5<sup>®</sup> numbers on the Ticket. If any of the five (5) EZ Match™ numbers matches any of the five (5) North 5<sup>®</sup> numbers on the Ticket, regardless of order, the player wins the corresponding prize shown to the immediate right of the matching EZ Match™ number. An EZ Match™ addition to a North 5<sup>®</sup> Ticket cannot be canceled.

EZ Match™ can be selected for each panel of an advance-draw ticket. Any resulting EZ Match™ prize can be claimed only once.

**3.1 Expected Prize Payout**

A player who adds an EZ Match™ to a North 5<sup>®</sup> play has the chance to instantly win prizes from two dollars (\$2) to five hundred dollars (\$500). A player may win more than one (1) EZ Match™ prize, depending on the number of matches on a North 5<sup>®</sup> Ticket.

EZ Match™ is a game of chance. The outcome is determined by the Minnesota Lottery gaming system at the North 5<sup>®</sup> Ticket point of purchase. It is not determined by a Drawing. The Minnesota Lottery system distributes the outcomes based on the probabilities within the prize structure.

When a player has selected the EZ Match™ option, the player may win both the instant win EZ Match™ component and the Drawing component of the North 5<sup>®</sup> game. A player may claim the instant win EZ Match™ prizes won immediately or wait until after the Drawing date printed on the Ticket. If EZ Match™ instant win prizes are claimed before the Drawing date printed on the North 5<sup>®</sup> Ticket, a trailer ticket will be issued. If a player

waits until after the Drawing to claim any EZ Match™ instant win or Drawing prizes won on a North 5® Ticket, all prizes must be claimed together.

**4.1 Procedure for Claiming Prizes**

The approximate overall odds of winning a prize playing EZ Match™ are 1 in 5.10. The table below lists the odds for each prize.
