Minnesota's Commitment to Diversity and Inclusion

The State of Minnesota is committed to diversity and inclusion in its public procurement process. The goal is to ensure that those providing goods and services to the State are representative of our Minnesota communities and include businesses owned by minorities, women, veterans, and those with substantial physical disabilities. Creating broader opportunities for historically under-represented groups provides for additional options and greater competition in the marketplace, creates stronger relationships and engagement within our communities, and fosters economic development and equality.

To further this commitment, the Department of Administration operates a program for Minnesota-based small businesses owned by minorities, women, veterans, and those with substantial physical disabilities. For additional information on this program, or to determine eligibility, please call 651-296-2600 or go to the Office of Equity in Procurement home page, at www.mn.gov/admin/oep.

SPECIAL NOTICE: This is a request for proposal. It does not obligate the State of Minnesota to award a contract or complete the proposed program, and the State reserves the right to cancel this solicitation if it is considered in its best interest. All costs incurred in responding to this solicitation will be borne by the responder.

SECTION 2 – SUMMARY OF SCOPE

1. Procurement Overview and Goals.

The Minnesota Lottery has been in operation since 1990 and exists to raise money for programs that positively impact the lives of Minnesotans. Twenty-four percent of Lottery sales are contributed to the State of Minnesota each year, representing a major source of funding for the State and for important environmental causes as detailed on mnlottery.com/playing-our-part.

To continue this funding for state programs, the Minnesota Lottery seeks independent expertise that will allow the Minnesota Lottery to obtain the best value for its important beneficiaries. More information about the Lottery is in the annual report at [FY25-Annual-Report_Accessible_Small.pdf](#) on <https://www.mnlottery.com>, and at <https://www.revisor.mn.gov/statutes/cite/349A>.

Through this RFP process the Minnesota Lottery is seeking an as-needed consultancy to work with the Lottery executive director and senior team to assist with and focus on leadership growth, decision making, strategic planning, public affairs, communication, and activities within the Minnesota Legislature.

The Lottery is led by an Executive Director, who will be the primary point of contact for this consulting project. Additionally, the Lottery Executive team consists of Operations, Sales & Marketing, Public Relations, Legal, Human Resources, Information, Security, and Finance leaders. These leaders, particularly those with communications responsibilities, may require assistance.

2. Tasks, Deliverables, and Qualifications.

To deliver value to the Minnesota Lottery, the consultant must have

- a deep understanding of the Minnesota Lottery, Minnesota Executive Branch agencies, the lottery business, **or** other gaming businesses.
- extensive experience in executive level leadership, communications, crisis management, the state legislative process, **and** strategic planning.
- extensive experience working with a state agency, lottery or similar gaming business, lottery retailers, **or** government officials.

The consultant will deliver leadership consulting services on an as-needed, hourly basis to the Minnesota Lottery executive director and senior team. The Contractor will provide consulting services in a timely manner with delivery dates agreed on by the State and the Consultant as each request for consulting services is made by the State.

Hypothetical Example Assignment #1:

The Minnesota Lottery is one of the most successful vendors at the Minnesota State Fair, which attracts more than two million visitors each year. The Lottery booth draws more than one hundred thousand attendees annually. As the Public Affairs team develops its plan, what strategies would you recommend for leveraging this high-visibility opportunity to generate positive earned media for the Minnesota Lottery?

Hypothetical Example Assignment #2:

The Minnesota Lottery recently promoted a long-time employee to a senior leadership position. She is now supervising her former colleagues. How would you work with her to effectively make this transition? What skills and insights could you bring to help her and the Lottery? Your job is not to write a plan, but to help her develop her own plan for becoming an effective supervisor and leader.

Hypothetical Example Assignment #3:

A bill was recently introduced by a legislative leader that could have significant consequences for Lottery operations. These consequences could be lower sales or decreased relevancy but appear to be unintended rather than a deliberate policy choice. How would you assist the Lottery in developing a plan to educate its stakeholders on how the bill would impact the Lottery? Your job is not to write a plan, but to help Lottery leadership.

(intentionally blank)

SECTION 3 – PROPOSAL INSTRUCTIONS AND ADDITIONAL INFORMATION

1. Anticipated Contract Term.

The fixed term of this contract is one (1) year, with the option of up to two (1) one (1) year extension, for a total term of three (3) years. The State and Contractor must come to agreement before extensions are enacted. The compensation will remain strictly hourly and based on extensive details provided by the Responder on monthly time sheets.

2. Question and Answer Instructions.

All questions should be submitted no later than the date and time listed in Section 1, Instructions to Responders. The State is not obligated to answer questions submitted after the question due date and time.

Only personnel listed above are authorized to discuss this solicitation with responders. Contact regarding this solicitation with any personnel not listed above could result in disqualification. This provision is not intended to prevent responders from seeking guidance from state procurement assistance programs regarding general procurement questions.

If a Responder discovers any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in the solicitation, please immediately notify the contact person detailed above in writing of such error and request modification or clarification of the document.

3. Additional Tasks or Activities.

Responders are encouraged to propose additional tasks, activities, or goods above and beyond the scope of what is requested in this solicitation if they will substantially improve the results of this procurement. Any costs associated with these additional tasks, activities, or goods should be clearly marked and separated from costs associated with the tasks, activities, or goods specifically requested under this solicitation. Because cost is a factor in the evaluation of responses to this solicitation, failure to separate costs for additional tasks, activities, or goods may result in those costs being included in a responder's cost proposal and result in a lower cost score for that proposal.

SECTION 4 – PROPOSAL CONTENT

Please submit the following information:

1. Work Plan for Example Assignment. Responder should respond to **each** Example Assignment listed above by providing a description of the deliverables to be provided by the Responder along with a detailed work plan that identifies the benefit from insights that could help the Lottery team further the Lottery's mission. This document must not list cost detail. If cost detail is included in this document, the Minnesota Lottery will disqualify the proposal as non-responsive. Responder should provide a statement of the objectives, goals, timelines, and tasks to clearly show the Responder's view and understanding of the nature of each Example Assignment, the challenges facing the Minnesota Lottery, and the value that would be added by hiring you as a consultant to assist the executive director and senior team.
2. Qualifications, Experience, and Independence. Responder must provide an outline of background and experience, with examples of similar work done by the Responder, including details regarding training and work experience. Information must not contain a Responder's personal telephone number, home address, or home email address. This section must include two (2) examples of the tasks and deliverables similar to those described in Section 2, Summary and Scope, above.
3. References. Responder must complete and submit two (2) "Attachment E: Reference Forms" with their response. Responder must answer every question and provide all information requested on the reference forms. Failure to meet this requirement may result in the rejection of the entire solicitation response as non-responsive.

The Minnesota Lottery reserves the right to verify the information submitted on Attachment E before an award is made. The Minnesota Lottery reserves the right to contact the references listed in Attachment E. The solicitation response may be rejected if the Minnesota Lottery, in its sole discretion, receives information that indicates the Responder is non-responsible, non-responsive, or has provided false or incorrect information.

4. Cost Detail. Complete and submit Attachment C, "Cost Detail," attached to this solicitation.

Submit all requested documentation, including, but not limited to, the following documents:

1. Attachment A: Responder Declarations
2. Attachment B: Exceptions to State's Standard Terms and Conditions
3. Attachment C: Cost Proposal
4. Attachment D: Responder Forms
 - a. Workforce and Equal Pay Declaration Page
5. Attachment E: Reference Form

DO NOT INCLUDE Non-Public/Trade Secret data (as defined by Minn. Stat. § 13.37)

SECTION 5 – EVALUATION PROCEDURE AND CRITERIA

The Minnesota Lottery (hereinafter referred to as “the State”) will conduct an evaluation of responses to this Solicitation. The evaluations will be conducted in three phases:

- Phase 1 - Review responses for responsiveness and pass/fail requirements
- Phase 2 - Evaluate responses
- Phase 3 - Select finalist(s) (optional)

1. Phase 1 – Responsiveness and Pass/Fail Requirements

The purpose of this phase is to determine if each response complies with mandatory requirements. The State will first review each proposal for responsiveness to determine if the Responder satisfies all mandatory requirements. The State will evaluate these requirements on a pass/fail basis.

Mandatory Requirements. The following will be considered on a pass/fail basis:

- Responses must be received by the due date and time specified in this RFP.
- Experience working with similarly situated organizations as demonstrated at least two (2) examples of the tasks and deliverables similar to those described in Section 2, Summary of Scope, above.

2. Phase 2 - Evaluate Responses

Only those responses found to have met Phase 1 criteria will be considered in Phase 2.

The factors and weighting on which responses will be evaluated are:

- | | |
|---|---|
| 1. Tasks and Deliverables | 400 points |
| 2. Qualifications, Experience, and Independence | 300 points |
| 3. Cost Detail | <u>300 points</u> |
| | 1,000 points |
| 4. Preference Points* (if applicable) | 120 points (in addition to 1,000 available) |

*Preference points are described under Solicitation Terms and will be applied to the total score after points have been awarded.

3. Phase 3 - Select Finalist(s)

Only those responses that have been evaluated under Phase 2 shall be eligible for Phase 3. The State may select finalists for interviews or presentations. If the State selects finalists, it will provide the finalists with an agenda before the interview or presentation. Upon completion of the interview, the State may adjust its non-price scores.

The State will make its selection based on best value, as determined by this evaluation process. The State reserves the right to pursue negotiations on any exception taken to the State’s standard terms and conditions. In the event that negotiated terms cannot be reached, the State reserves the right to terminate negotiations and begin negotiating with the next highest scoring responder or take other actions as the State deems appropriate. If the State anticipates multiple awards, the State reserves the right to negotiate with more than one Responder.

It is anticipated that the evaluation and selection will be completed by Friday 9/18/26.

SECTION 6 – UNENFORCEABLE TERMS AND SOLICITATION TERMS

- (2) binds a party by terms and conditions that may be unilaterally changed by the other party;
- (3) requires mandatory arbitration;
- (4) attempts to extend arbitration obligations to disputes unrelated to the original contract;

(b) If a contract is entered into that contains a term prohibited in paragraph (a), that term shall be void and the contract is enforceable as if it did not contain that term.

The responder that submits the response will be considered legally responsible for the response (and the contract, if awarded).

5. Withdrawing Response

A responder may withdraw its response prior to the due date and time of the Solicitation. A responder may withdraw its response by notifying the Solicitation Administrator in writing of the desire to withdraw.

After the due date and time of this Solicitation, a responder may withdraw a response only upon showing that an obvious error exists in the response. The showing and request for withdrawal must be made in writing to Solicitation Administrator within a reasonable time and prior to the State's detrimental reliance on the response.

6. Rights Reserved

The State reserves the right to:

- Reject any and all responses received;
- Waive or modify any informalities, irregularities, or inconsistencies in the responses received;

7. Samples and Demonstrations

Upon request, Responders are to provide samples to the State at no charge. Except for those destroyed or mutilated in testing, the State will return samples if requested and at the Responder's expense. All costs to conduct and associated with a demonstration will be the sole responsibility of the Responder.

The completion of the evaluation process is defined as the State having completed negotiating a contract with the selected responder. The State will notify all responders in writing of the evaluation results.

9.2 In the event trade secret data are submitted, Responder must defend any action seeking release of data it believes to be trade secret, and indemnify and hold harmless the State, its agents and employees, from any judgments awarded against the State in favor of the party requesting the data, and any and all costs connected with that defense.

9.3 The State does not consider cost or prices to be trade secret material, as defined by Minn. Stat. § 13.37.

9.4 A responder may present and discuss trade secret information during an interview or demonstration with the State, if applicable.

10. Conditions of Offer

Unless otherwise approved in writing by the State, Responder's cost proposal and all terms offered in its response that pertain to the completion of professional and technical services and general services will remain firm for 180 days, until they are accepted or rejected by the State, or they are changed by further negotiations with the State prior to contract execution.

11. Award

Any award that may result from this solicitation will be based upon the total accumulated points as established in the solicitation. The State reserves the right to award this solicitation to a single Responder, or to multiple Responders, whichever is in the best interest of the State, providing each Responder is in compliance with all terms and conditions of the solicitation. The State reserves the right to accept all or part of an offer, to reject all offers, to cancel the solicitation, or to re-issue the solicitation, whichever is in the best interest of the State.

Exhibit A: Contract Terms

1. Prompt Payment and Invoicing.

- 1.1. Prompt Payment. The State will pay the Contractor pursuant to Minn. Stat. § 16A.124, which requires payment within 30 days following receipt of an undisputed invoice, or merchandise or service, whichever is later. Terms requesting payment in less than 30 days will be changed to read “Net 30 days.” Notwithstanding the foregoing, the State may pay the Contractor in advance for purchases as allowed pursuant to Minn. Stat. §16A.065.

The payment for each order will only be made for goods received or services actually performed that have been accepted by the ordering entity, and meet all terms, conditions, and specifications of the Contract and the ordering document.

- 1.2. Invoicing. The invoice must be in the same format as the sample invoice form approved as Exhibit D, Supplement 1 with the Contract, unless an alternative format is approved in writing by the State Authorized Representative, or delegate. See Exhibit D, Supplement 1 for a list of minimum invoice requirements.

2. Assignment, Amendments, Waiver, and Contract Complete.

- 2.1. Assignment. The Contractor may neither assign nor transfer any rights or obligations under this Contract without the prior consent of the State and a fully executed assignment agreement, executed and approved by the authorized parties or their successors.
- 2.2. Amendments. Any amendment to this Contract must be in writing and will not be effective until it has been executed and approved by the authorized parties or their successors.
- 2.3. Waiver. If the State fails to enforce any provision of this Contract, that failure does not waive the provision or its right to enforce it.
- 2.4. Contract Complete. This Contract contains all negotiations and agreements between the State and the Contractor. No other understanding regarding this Contract, whether written or oral, may be used to bind either party.

3. Termination.

- 3.1. Termination for Convenience. The State or Commissioner of Administration may cancel this Contract at any time, with or without cause, upon 30 days’ written notice to the Contractor. Upon termination for convenience, the Contractor will be entitled to payment, determined on a pro rata basis, for services or goods satisfactorily performed or delivered.
- 3.2. Termination for Breach. The State may terminate this Contract, with cause, upon 30 days’ written notice to Contractor of the alleged breach and opportunity to cure. If after 30 days, the alleged breach has not been remedied, the State may immediately terminate the Contract.
- 3.3. Termination for Insufficient Funding. The State may immediately terminate this Contract if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services addressed within this Contract. Termination must be by written notice to the Contractor. The State is not obligated to pay for any services that are provided after

notice and effective date of termination. However, the Contractor will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that dedicated funds are available. The State will not be assessed any penalty if the Contract is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Contractor notice of the lack of funding. This notice will be provided within a reasonable time of the State's receiving notice.

4. Force Majeure.

Neither party shall be responsible to the other or considered in default of its obligations within this Contract to the extent that performance of any such obligations is prevented or delayed by acts of God, war, riot, disruption of government, or other catastrophes beyond the reasonable control of the party unless the act or occurrence could have been reasonably foreseen and reasonable action could have been taken to prevent the delay or failure to perform. A party relying on this provision to excuse performance must provide the other party prompt written notice of the inability to perform and take all necessary steps to bring about performance as soon as practicable.

5. Indemnification.

5.1. In the performance of this Contract, the Indemnifying Party must indemnify, save, and hold harmless the State, its agents, and employees, from any claims or causes of action, including attorney's fees incurred by the State, to the extent caused by Indemnifying Party's:

- Intentional, willful, or negligent acts or omissions; or
- Actions that give rise to strict liability; or
- Breach of contract or warranty.

The Indemnifying Party is defined to include the Contractor, Contractor's reseller, any third party that has a business relationship with the Contractor, or Contractor's agents or employees, and to the fullest extent permitted by law. The indemnification obligations of this section do not apply in the event the claim or cause of action is the result of the State's sole negligence. This clause will not be construed to bar any legal remedies the Indemnifying Party may have for the State's failure to fulfill its obligation under this Contract.

5.2. Nothing within this Contract, whether express or implied, shall be deemed to create an obligation on the part of the State to indemnify, defend, hold harmless or release the Indemnifying Party. This shall extend to all agreements related to the subject matter of this Contract, and to all terms subsequently added, without regard to order of precedence.

6. Governing Law, Jurisdiction, and Venue.

Minnesota law, without regard to its choice-of-law provisions, governs this Contract. Venue for all legal proceedings out of this Contract, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

7. Foreign Outsourcing of Work Prohibited.

All services under this contract shall be performed within the borders of the United States. All storage and processing of information shall be performed within the borders of the United States. This provision also applies to work performed by all subcontractors.

8. Subcontracting and Subcontract Payment.

- 8.1. Subcontracting Allowed. A subcontractor is a person or company that has been awarded a portion of the Contract by Contractor. Only subcontractors that have been approved by the State's Authorized Representative can be used for this Contract.

After the effective date of the Contract, the Contractor shall not, without prior written approval of the State's Authorized Representative, subcontract for the performance of any of the Contractor's obligations that were not already approved for subcontracting when the Contract was awarded. During this Contract, if an approved subcontractor is determined to be performing unsatisfactorily by the State's Authorized Representative, the Contractor will receive written notification that the subcontractor can no longer be used for this Contract.

Contractor will require that the provisions of this Contract apply with equal force and effect to all approved subcontractors engaged by the Contractor. Notwithstanding approval by the State, no subcontract shall serve to terminate or in any way affect the primary legal responsibility of the Contractor for timely and satisfactory performances of the obligations contemplated by the Contract.

- 8.2. Subcontractor Payment. Contractor must pay any subcontractor in accordance with Minn. Stat. § 16A.1245.

9. Data Disclosure.

Under Minn. Stat. § 270C.65, subd. 3 and other applicable law, the Contractor consents to disclosure of its social security number, federal employer tax identification number, and Minnesota tax identification number, already provided to the State, to federal and state agencies, and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Contractor to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.

10. Government Data Practices.

The Contractor and State must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, (or, if the State contracting party is part of the Judicial Branch, with the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time) as it applies to all data provided by the State under this Contract, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Contractor under this Contract. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data governed by the Minnesota Government Practices Act, Minn. Stat. Ch. 13, by either the Contractor or the State.

If the Contractor receives a request to release the data referred to in this clause, the Contractor must immediately notify and consult with the State's Authorized Representative as to how the Contractor should respond to the request. The Contractor's response to the request shall comply with applicable law.

11. Intellectual Property Rights.

- 11.1. Definitions. For the purpose of this Section, the following words and phrases have the assigned definitions:

- 11.1.1. "Documents" are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks, or other materials, whether in tangible or electronic forms, prepared by the Contractor, its employees, agents, or subcontractors, in the performance of this Contract.

11.1.2. "Pre-Existing Intellectual Property" means intellectual property developed prior to or outside the scope of this Contract, and any derivatives of that intellectual property.

11.1.3. "Works" means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, and disks conceived, reduced to practice, created or originated by the Contractor, its employees, agents, and subcontractors, either individually or jointly with others in the performance of this Contract. "Works" includes Documents.

11.2. Ownership. The State owns all rights, title, and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks, and service marks in the Works and Documents created and paid for under this Contract. The Documents shall be the exclusive property of the State and all such Documents must be immediately returned to the State by the Contractor upon completion or cancellation of this Contract. To the extent possible, those Works eligible for copyright protection under the United States Copyright Act will be deemed to be "works made for hire." The Contractor assigns all right, title, and interest it may have in the Works and the Documents to the State. The Contractor must, at the request of the State, execute all papers and perform all other acts necessary to transfer or record the State's ownership interest in the Works and Documents.

11.3. Pre-existing Intellectual Property. Each Party shall retain ownership of its respective Pre-Existing Intellectual Property. The Contractor grants the State a perpetual, irrevocable, non-exclusive, royalty free license for Contractor's Pre-Existing Intellectual Property that are incorporated in the products, materials, equipment, deliverables, or services that are purchased through the Contract.

11.4. Obligations.

11.4.1. Notification. Whenever any invention, improvement, or discovery (whether or not patentable) is made or conceived for the first time or actually or constructively reduced to practice by the Contractor, including its employees and subcontractors, in the performance of this Contract, the Contractor will immediately give the State's Authorized Representative written notice thereof, and must promptly furnish the State's Authorized Representative with complete information and/or disclosure thereon.

11.4.2. Representation. The Contractor must perform all acts, and take all steps necessary to ensure that all intellectual property rights in the Works and Documents are the sole property of the State, and that neither Contractor nor its employees, agents, or subcontractors retain any interest in and to the Works and Documents. The Contractor represents and warrants that the Works and Documents do not and will not infringe upon any intellectual property rights of other persons or entities.

11.4.3. Indemnification. Notwithstanding any other indemnification obligations addressed within this Contract, the Contractor will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless the State, at the Contractor's expense, from any action or claim brought against the State to the extent that it is based on a claim that all or part of the Works or Documents infringe upon the intellectual property rights of others. The Contractor will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs, and damages, including but not limited to, attorney fees. If such a claim or action arises, or in the Contractor's or the State's opinion is likely to arise, the Contractor must, at the State's discretion, either procure for the State the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing

works or documents as necessary and appropriate to obviate the infringement claim. This remedy of the State will be in addition to and not exclusive of other remedies provided by law.

12. Copyright.

The Contractor shall save and hold harmless the State of Minnesota, its officers, agents, servants and employees, from liability of any kind or nature, arising from the use of any copyrighted or noncopyrighted compositions, secret process, patented or nonpatented invention, article or appliance furnished or used in the performance of the Contract.

13. Contractor's Documents.

Any licensing and maintenance agreement, or any order-specific agreement or document, including any pre-installation, linked or "click through" agreement that is allowed by, referenced within or incorporated within the Contract whenever the Contract is used for a State procurement, whether directly by the Contractor or through a Contractor's agent, subcontractor or reseller, is agreed to only to the extent the terms within any such agreement or document do not conflict with the Contract or applicable Minnesota or Federal law, and only to the extent that the terms do not modify, diminish or derogate the terms of the Contract or create an additional financial obligation to the State. Any such agreement or document must not be construed to deprive the State of its sovereign immunity, or of any legal requirements, prohibitions, protections, exclusions or limitations of liability applicable to this Contract or afforded to the State by Minnesota law. A State employee's decision to choose "accept" or an equivalent option associated with a "click-through" agreement does not constitute the State's concurrence or acceptance of terms, if such terms are in conflict with this section.

14. State Audits.

Under Minn. Stat. § 16C.05, subd. 5, the Contractor's books, records, documents, and accounting procedures and practices relevant to this Contract are subject to examination by the State, the State Auditor, or Legislative Auditor, as appropriate, for a minimum of six years from the expiration or termination of this Contract.

15. Diverse Spend Reporting.

When this applies, Contractor will register in a free portal to help report the Tier 2 diverse spend, and the requirement continues as long as the Contract is in effect.

16. Publicity and Endorsement.

- 18.1. Compliance with Federal Requirements. Federal money will be used or may potentially be used to pay for all or part of the goods, construction or services under the Contract. The Contractor is responsible for compliance with all federal requirements imposed on the funds and accepts full financial responsibility for any requirements imposed by the Contractor's failure to comply with federal requirements.
- 18.2. Certification regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion. Federal money will be used or may potentially be used to pay for all or part of the work under the Contract, therefore Contractor certifies that it is in compliance with federal requirements on debarment, suspension, ineligibility and voluntary exclusion specified in the solicitation document implementing Executive Order 12549. If the value of this Contract, including all extensions, is \$50,000 or more, Contractor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.

21. Non-discrimination (in accordance with Minn. Stat. § 181.59).

The Contractor will comply with the provisions of Minn. Stat. § 181.59.

22. E-Verify Certification (in accordance with Minn. Stat. § 16C.075).

For services valued in excess of \$50,000, Contractor certifies that as of the date of services performed on behalf of the State, Contractor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify Program for all newly hired employees in the United States who will perform work on behalf of the State. Contractor is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form. All subcontractor certifications must be kept on file with Contractor and made available to the State upon request.

23. Affirmative Action Requirements

The State intends to carry out its responsibility for requiring affirmative action by its contractors.

- 23.4. Consequences. The consequences for the Contractor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the Commissioner, refusal by the Commissioner to approve subsequent plans, and termination of all or part of this Contract by the Commissioner or the State.

Notwithstanding anything else in this Section, this Section does not and shall not limit any other rights of the State under this Contract, including, but not limited to, warranties, acceptance, and return policy, if any.

- 1.1. Security Practices and Preventive Controls. The Contractor will use reasonable commercial efforts to ensure that the Contractor and any subcontractors or third parties involved in assembling, manufacturing, packaging, distributing, handling, warehousing, transporting or shipping State goods, including goods intended to be but not yet delivered to the State, meet all applicable security standards and all applicable local, state, federal, and international laws, rules and regulations (hereinafter "supply chain security").

Contractor must maintain certification/accreditation in an official supply chain security program and comply with that program's security standards for all orders sourced from the Contract. Official supply chain security program is defined as one of the following: ISO 28000 or 27036 (as applicable), SAE AS5553 or other SAE standard (as applicable), Customs-Trade Partnership Against Terrorism (C-TPAT), Authorized Economic Operator (AEO), or other program accepted in writing by the State, Office of MN.IT Services (f/k/a Office of Enterprise Technology and d/b/a MN.IT or MN.IT Services)("MN.IT") and the State, Department of Administration's Office of State Procurement ("OSP"). To demonstrate certification/accreditation, Contractor must provide to OSP and MN.IT within one month following the effective date of this Contract or amendment adding this Section, whichever is later, a letter verifying its certification/accreditation in an official supply chain security program. Contractor will promptly notify OSP and MN.IT of any change to its certification/accreditation.

Alternatively, if Contractor is not certified/accredited or loses certification/accreditation, Contractor must complete a MN.IT security form to confirm that it complies with supply chain security. The form will require supporting documentation of any responses and must be completed to MN.IT's satisfaction.

- 1.2. Notification of Supply Chain Security Breach. Contractor will promptly notify OSP, MN.IT, and the ordering entity, if different from MN.IT, of any breach of supply chain security involving State goods, including goods intended to be but not yet delivered to the State. Rejection of delivery or return of goods shall be solely the responsibility and at the cost and expense of the Contractor.

The State may sanitize or destroy components of the goods prior to returning the goods to Contractor or instruct Contractor to promptly sanitize or destroy goods upon their return. Following the completion of any such sanitization or destruction, and upon request by MN.IT, the Contractor shall provide a Certificate of Data Destruction/Sanitization that meets the requirements of the then current version of NIST Special Publication

At no additional expense to the State, Contractor must provide within a reasonable time frame replacement goods for any goods that were rejected at delivery or returned due to a supply chain security breach. Any costs and expenses associated with removal or replacement of the goods, including sanitization and destruction costs and expenses, will be the responsibility of the Contractor.

cancellation of the Contract. If the Contractor desires authority from the State to have a deductible in a higher amount, the Contractor shall so request in writing, specifying the amount of the desired deductible and providing financial documentation by submitting the most current audited financial statements so that the State can ascertain the ability of the Contractor to cover the deductible from its own resources. Any term or condition that allows the Contractor to terminate the Contract for any or no reason (i.e., termination for convenience) is null and void. In the event of termination or cancellation of this Contract for any reason, the Contractor shall continue to provide any then-existing Cloud Services for as long as the State needs to transfer its data, software and other assets to an alternate service or service provider. After any such termination or cancellation, the State may purchase the continuing Cloud Services at the pricing in effect prior to such termination or cancellation. The fee for any such purchase shall be prorated for the period of time needed, as determined by the State, and shall be reduced by the amount paid for Cloud Services that were not used prior to such termination or cancellation. The amount of any such fee reduction shall be determined on a pro-rata basis. The Contractor shall refund to the State any unused portion of payments for Cloud Services.
