ADDENDUM

I. Below are the State's responses to questions received by the deadline stated in the Solicitation.

Question 1: The requirement states: "Slip sheet in 100's. Box 365 separately."

Does this mean a group of 365 posters should be boxed separately from the remainder of the order? Or that each carton should contain 365 posters, creating a repeating carton quantity throughout the full order?

Answer 1: A single group of 365 posters should be boxed separately from the remainder of the order, with all other posters packed according to standard slip-sheeting and carton counts.
