Minnesota's Commitment to Diversity and Inclusion

The State of Minnesota is committed to diversity and inclusion in its public procurement process. The goal is to ensure that those providing goods and services to the State are representative of our Minnesota communities and include businesses owned by minorities, women, veterans, and those with substantial physical disabilities. Creating broader opportunities for historically under-represented groups provides for additional options and greater competition in the marketplace, creates stronger relationships and engagement within our communities, and fosters economic development and equality.

To further this commitment, the Department of Administration operates a program for Minnesota-based small businesses owned by minorities, women, veterans, and those with substantial physical disabilities. For additional information on this program, or to determine eligibility, please call 651.201.2402 or go to the Office of Equity in Procurement home page, at <https://mn.gov/admin/business/vendor-info/oep/>.

SPECIAL NOTICE: This is a request for bid. It does not obligate the State of Minnesota to award a contract or complete the proposed program, and the State reserves the right to cancel this solicitation if it is considered in its best interest.

Solicitation Terms

1. Competition in Responding

The State desires open and fair competition. Questions from responders regarding any of the requirements of the Solicitation must be submitted in writing to the Solicitation Administrator listed in the Solicitation before the due date and time. If changes are made the State will issue an addendum.

Any evidence of collusion among responders in any form designed to defeat competitive responses will be reported to the Minnesota Attorney General for investigation and appropriate action.

2. Addenda to the Solicitation

Changes to the Solicitation will be made by addendum with notification and posted in the same manner as the original Solicitation. Any addenda issued will become part of the Solicitation.

3. Joint Ventures

The State allows joint ventures among groups of responders when responding to the solicitation. However, one responder must submit a response on behalf of all the others in the group. The responder that submits the response will be considered legally responsible for the response (and the contract, if awarded).

4. Withdrawing Response

A responder may withdraw its response prior to the due date and time of the Solicitation. For solicitations in the SWIFT Supplier Portal, a responder may withdraw its response from the SWIFT Supplier Portal. For solicitations done any other way, a responder may withdraw its response by notifying the Solicitation Administrator in writing of the desire to withdraw.

After the due date and time of this Solicitation, a responder may withdraw a response only upon showing that an obvious error exists in the response. The showing and request for withdrawal must be made in writing to Solicitation Administrator within a reasonable time and prior to the State's detrimental reliance on the response.

5. Rights Reserved

The State reserves the right to:

- Reject any and all responses received;
- Waive or modify any informalities, irregularities, or inconsistencies in the responses received;
- Require responders to conduct presentations, demonstrations, or submit samples;
- Award by location or item, including category, by groups of items, or all items (therefore, the responder is encouraged to offer a response for all locations or items); and
- Interview key personnel or references.

6. Samples and Demonstrations

Upon request, responders are to provide samples to the State at no charge. Except for those destroyed or mutilated in testing, the State will return samples if requested and at the Responder's expense. All costs to conduct and associated with a demonstration will be the sole responsibility of the Responder.

7. Responses are Nonpublic during Evaluation Process

All materials submitted in response to this Solicitation will become property of the State. During the selection process, with the exception of information that becomes public after bids are due, all information concerning the responses submitted will remain private or nonpublic and will not be disclosed to anyone whose official duties do not require such knowledge. Responses are private or nonpublic data until the completion of the selection process as defined by Minn. Stat. § 13.591. The completion of the selection process is defined as the State having completed its evaluation and has ranked the responses. The State will notify all responders in writing of the selection results.

8. Trade Secret Information

- 8.1 Responders must not submit as part of their response trade secret material, as defined by Minn. Stat. § 13.37.
- 8.2 In the event trade secret data are submitted, Responder must defend any action seeking release of data it believes to be trade secret, and indemnify and hold harmless the State, its agents and employees, from any judgments awarded against the State in favor of the party requesting the data, and any and all costs connected with that defense.
- 8.3 The State does not consider cost or prices to be trade secret material, as defined by Minn. Stat. § 13.37.
- 8.4 A responder may present and discuss trade secret information during an interview or demonstration with the State, if applicable.

9. Conditions of Offer

Unless otherwise approved in writing by the State, Responder's response pertaining to the sale of goods will remain firm for 90 days, until it is accepted or rejected by the State.

10. Award

Any award that may result from this solicitation will be based upon the established selection process. The State reserves the right to award this solicitation to a single responder, or to multiple responders, whichever is in the best interest of the State, providing each responder is in compliance with all terms and conditions of the solicitation. The State reserves the right to accept all or part of an offer, to reject all offers, to cancel the solicitation, or to re-issue the solicitation, whichever is in the best interest of the State.

11. Requirements Prior to Contract Execution

Prior to contract execution, a responder receiving a contract award must comply with any submittal requests. A submittal request may include, but is not limited to, a Certificate of Insurance.

12. Targeted Group, Economically Disadvantaged Business, Veteran-Owned and Individual Preference

Unless a greater preference is applicable and allowed by law, in accordance with Minn. Stat. § 16C.16, businesses that are eligible and certified by the State as targeted group (TG) businesses, economically disadvantaged (ED) businesses, and veteran-owned (VO) businesses will receive points equal to 12% percent of the total points available as preference.

For TG/ED/VO certification and eligibility information visit the Office of Equity in Procurement website at <https://mn.gov/admin/business/vendor-info/oep/> or call the Division's Helpline at 651.201.2402.

13. Reciprocity

State shall comply with Minn. Stat. § 16C.06, subd. 7, as that applies to a non-resident vendor. This paragraph does not apply for any project in which federal funds are expended.

14. DEED and DHS Preference

In accordance with Minn. Stat. § 16C.155, eligible DEED/DHS providers will receive points equal to 6% percent of the total points available.

15. Preference Environmental

The State desires to purchase environmentally responsible goods and services where practicable. When feasible and when the price of recycled materials does not exceed the price of non-recycled materials by more than 10%, the Commissioner, and State agencies when purchasing under delegated authority, must purchase recycled materials. See Minn. Stat. § 16C.0725.

16. Specifications

A response will be held to strict compliance with the specifications. If a response deviates from the specifications, the deviation must be clearly noted and the State reserves the right to reject the response. All specifications are for new items unless otherwise noted in the solicitation. When brand name or manufacturer's name or numbers are stated in the specifications, they are intended to establish a standard only and are not restrictive unless the solicitation states: "No Substitute." Responses may be considered on other alternate makes, models, or brands having comparable quality, style, and performance characteristics. Any alternates included in a response are subject to State approval.

17. Prohibited Substances.

Contractor shall not provide any goods containing triclosan, coal tar, or polybrominated diphenyl ether to the State. [Amara's Law \(Minn. Stat. § 116.943\)](#) will take effect in Minnesota January 1, 2025, and applies all products sold or distributed under the contract. The law prohibits the sale or distribution of some products with intentionally added PFAS within Minnesota.

18. Prompt Payment Discounts Offered

If a responder offers a discount for a payment made in less than 30 days, this discount will not be considered in the evaluation of the response. A prompt payment discount will be calculated from the date of acceptance of an undisputed invoice or upon the date a disputed invoice is resolved.

19. Building Construction Contractor Registration.

Per Minn. Stat. § 326B.701, unless exempt, any person, as defined by Minn. Stat. § 181.723, subd. 1(a), who performs public or private construction services must register with the Department of Labor and Industry (DLI). Registration is required prior to receiving a contract award.

19.1 Building construction contractors, including independent contractors, subcontractors, and business entities providing public or private sector commercial or residential building construction or improvement services must be registered with DLI.

19.2 The registration requirement does not apply to workers and businesses that are already licensed, registered, or certified with the Department of Labor and Industry, nor does it apply to employees.

19.3 General or Prime Contractors will be able to verify that subcontractors are registered on the searchable Department of Labor and Industry Contractor Look-up website.

19.4 The law provides for penalties for failure to register, hiring unregistered contractors, misclassifying employees, and coercing others to form a business entity.

For additional information and to register go to www.dli.mn.gov/register or contact the Department of Labor and Industry at 651.284.5074 or email: dli.register@state.mn.us.

20. Non-Minnesota Contractors.

Minn. Stat. § 290.9705 requires public entities to deduct and withhold eight (8) percent of cumulative calendar year payments to Non-Minnesota Contractors which exceed \$50,000. The statute allows for an exemption of this requirement under specific circumstances that are listed in the “Reason for Exemption” section of the Exemption from Surety Deposits for Non-Minnesota Contractors Form (see link below). The Contractor must file a separate application for exemption for each contract.

In order to formalize this exemption you must, prior to being sent a Contract, complete this Form available at https://www.revenue.state.mn.us/sites/default/files/2022-03/sde_21.pdf, and submit to Minnesota Revenue. If approved, provide the ordering entity with a copy executed by Minnesota Revenue. The address to send the form for execution is:
